WHY MOORE PARK?

2 GREAT GOLF FOR GREAT PEOPLE

Whether it's on the course or in the clubhouse, you'll always find fantastic company and interesting people at Moore Park. Simply join the club, book in for our regular competitions, and enjoy a day of great sports, great food, and great company.

3 AFFORDABLE MEMBERSHIP

Many golf courses will charge huge amounts, regardless of how often you play. Here at one of New South Wales' first golf courses, we want everyone to have a go. That's why you can enjoy a championship course in a great location with great facilities with one of our membership packages that suits you.

WHY MOORE PARK?

"MPGC is an equal opportunity club promoting women and girls to play golf. A key priority of the NSW Government is that everyone has the opportunity to take part in sport. Moore Park Golf are also a member of the Active Kids program."
Gladys Berejiklian | Premier of NSW

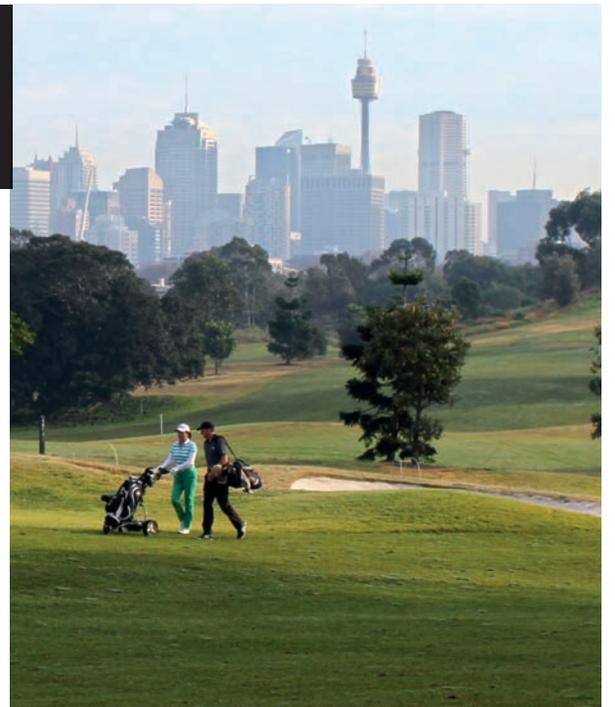

4 PLAY TOGETHER

We're big believers in equal opportunity here at MPGC, which is why we don't put any restrictions on when our male, female and junior members can play - meaning you can play when it's convenient for you! What's more, we are one of Australia's only risk-assessed, disability-friendly courses. No matter who you are or where you come from, you'll find your home at Moore Park.

5 PREMIUM COURSE

With stunning greens stretching over an impressive 18-hole course, MPGC is a haven for both golfers and outdoor enthusiasts. Because we believe you deserve the best, The Centennial Park & Moore Park Trust have invested approximately \$4 million into the precinct over the past few years. This means members enjoy continuous improvements and upgrades to our course, clubhouse and driving range.
